

Florida Academy of Sciences
Report of the Student Awards Committee
March 30, 2009

Final Results

The Florida Academy of Sciences 73rd Annual Meeting was held at Saint Leo University, in Saint Leo, Florida, on March 20-21, 2009. Papers and posters prepared and presented by students were evaluated and ranked by the Student Awards Committee, with the assistance of the session chairs. This report presented the final results of the ranking. Categories for which awards were not given are not listed.
