

AJAS/AAAS scholarship and nomination applications

For Seniors who presented papers at FJAS during their Junior year.

FJAS members who competed and placed with experimental papers during their junior year of high school are eligible to apply for a scholarship to present at the American Junior Academy of Science (AJAS) and American Association for the Advancement of Science (AAAS) conference held each year in mid February. **The scholarship will pay for the flight, registration and hotel room** with the expectation that every effort will be made to get the most reasonable rates. These applications must be received by **September 1st of their senior year.**

FJAS members wanting to attend and present at AJAS/AAAS at their own expense may apply for nomination only.

The application is preferred by email. The application **MUST** have the following information in the text of the e-mail:

**Application for _____ AJAS/AAAS Scholarship
_____AJAS/AAAS nomination only**

Student name

School

Regional Science & Engineering Fair Coordinator's name and email address

Title of paper (exactly as it appeared in the paper presented their junior year)

A single attachment in **doc** or **pdf** should include the following information:

Your name should be the title of the attachment

Resume of science research activities during high school (not to exceed 2 pages)

Abstract of paper presented at FJAS your Junior year

Plans for research during the senior year (a minimum of a proposal and time line of completion of experimentation - not expected competitions)

Plans for the presentation at AJAS (Junior paper or Senior paper)

Save the file with your name as the title.

E-mails should be sent to: zalop@manateeschools.net

Please mark the subject line as "AJAS".

An e-mail will be returned within 24 hours verifying receipt.
