

E-Mailing the Applications for AJAS/AAAS

For Seniors who presented papers at FJAS during their Junior year.

FJAS members who competed and placed with experimental papers during their junior year of high school are eligible to apply for a scholarship to present at the American Junior Academy of Science (AJAS) and American Association for the Advancement of Science (AAAS) conference held each year in mid February and AAAS membership.

These applications should be e-mailed by **September 1 of their senior year.**

FJAS members wanting to attend and present at AJAS/AAAS at their own expense may apply for nomination only.

The application is preferred by email but can be mailed. The application MUST have the following information in the text of the e-mail:

Application for _____ AAAS membership (gender_____)
_____ AJAS/AAAS Scholarship
_____ AJAS/AAAS nomination only

Student name

School

Regional Science & Engineering Fair Coordinator's name and email address

Title of paper (exactly as it appeared in the paper presented their junior year)

A single attachment should include the following information: (Please write your name as the title of the attachment)

Resume of science research activities during high school (not to exceed 2 pages)

Abstract of presented Junior paper

Plans for research during the senior year (a minimum of a proposal and time line of completion of experimentation - not competitions)

Plans for the presentation at AJAS (Junior paper or Senior paper)

E-mails should be sent to pzalo@yahoo.com

Mail should be sent to Pat Zalo, FJAS Coordinator
2812 26th Avenue Dr W
Bradenton FL 34205-3707

If mailing applications PLEASE include your email address so the receipt email can be sent.

An e-mail will be returned within 24 hours verifying receipt.
